clár féile glaise

Dear Valued Guests,

We are delighted that you have chosen to stay with us at The Inn at Dromoland.

Our Green Team would like to invite you to join us in helping to save the environment. Everyday millions of gallons of water are wasted by washing linen and towels that may have only been used once.

Our Accommodation Team is offering a partial service on each day of your stay. We will be emptying the bins and changing the towels (only if they are left in the shower/bath).

Our Accommodation Team provide a full cleaning service on the third day of your multi-night stay. However, if you wish to avail of any additional cleaning services before this point, please contact our front desk team.

We would like to thank you in advance for supporting our efforts to achieve carbon neutrality by reducing our CO2 emissions and by helping us to preserve our natural resources - ultimately leading to the protection of our environment for future generations.

Kind regards,

The Inn at Dromoland Green Team
& Hotel Management
